Chapter 43.5: Reminder: The Divine Triad

The members of The Divine Triad in my Solo Leveling fanfiction are:

1. Sung Jin-Woo – The Shadow Monarch and Absolute Humanoid Being. He is the leader of the Divine Triad and the father of Sung Su-Ho. He resides in Umbra Citadel and commands the Apostles of God, Dark Apostles, Heavenly Soldiers, Shadowkin troops and Shadow Lords.

2. Sung Su-Ho – The Dragon Monarch and Absolute Dragonic Being. He is the son of Sung Jin-Woo and the father of Sung Ye-Jun and Sung Ye-Rin. He resides in Eternis Draconis and commands the Dragonkin and Fiery Dragon Lords.

3. Ashborn – The Absolute Celestial Being. He is an angelic figure with six wings, a one-edged sword, a golden helmet, silver armor, white skin, white hair, and white robes. He resides in Absolute Castle and commands the Apostles of God and Heavenly Soldiers alongside Sung Jin-Woo.

These three form the Divine Triad, the most powerful and influential beings in the multiverse, working together to maintain balance and order.
